**Company:** Center for Cognition and Communication

**Phone:** (212) 535-8932

**Email:**  
[busichio11@hotmail.com](mailto:busichio11@hotmail.com)

### **Additional Information**

---

#### **EDUCATION**

##### **Fairleigh Dickinson University**

2000-2004

Ph.D. Clinical Psychology

##### **Fairleigh Dickinson University**

1998-2000

M.A. General Theoretical Psychology Program

##### **Seton Hall University**

1994-1998

B.A. Honors Psychology

#### **PROFESSIONAL EXPERIENCE**

Center for Cognition and Communication (NY)

9/06-Present

##### ***Clinical Director, Neuropsychology***

- . Clinical seminars and supervision
- . Neuropsychological evaluation and cognitive rehabilitation (spectrum of neurologic disease, TBI, other acquired medical disorders for adults/children, learning disabilities)

#### ***POST DOCTORAL RESIDENCY IN NEUROPSYCHOLOGY***

##### **JFK Johnson Rehabilitation Institute**

9/04-9/06

**Center for Head Injuries (NJ)*****Neuropsychological Rehabilitation (Adults/Children)***

- . Lead a multidisciplinary team of health professionals at the Center For Head Injuries, including speech, educational, occupational, physical and vocational therapy (assessment, collaboration with the team on a monthly basis, develop multidisciplinary treatment goals and discharge plan, submit baseline multidisciplinary findings and ongoing treatment reports)
- . Perform neuropsychological baseline assessments on new program admissions to the brain injury program, along with ongoing individual cognitive mediation/psychotherapy, co-lead groups (i.e. problem solving group)
- . Comprehensive outpatient neuropsychological evaluations (traumatic brain injury and other acquired medical disorders with adults/children)
- . Neuropsychological assessment on the inpatient Acute Brain Trauma Unit and the Extended Recovery Unit (severe brain injury including assessment of post-coma and related disorders of consciousness)
- . Neuropsychological consultation to JFK Medical Center (diverse forms of neurologic disease including stroke syndromes, epilepsy, brain tumors, movement disorders, memory disorders, and dementia, along with general rehabilitation patients)

***CLINICAL INTERNSHIP*****Rusk Institute of Rehabilitation Medicine**

9/03-9/04

**(NW Medical Center)*****Neuropsychological Rehabilitation (6 months outpatient; 6 months inpatient)***

- . Neuropsychological assessments/reports, cognitive remediation, individual and group psychotherapy
- . Comprehensive outpatient neuropsychological assessments/reports (traumatic brain injury, stroke, epilepsy, tumors, vestibular disorders, and other acquired medical disorders with adults/children)

***CLINICAL PRACTICUM*****Fairleigh Dickinson Psychological Services**

9/02-7/03

***Psychotherapist***

- . Individual psychotherapy with a diverse clinic population
- . Coordinator and leader of AMID and social skills groups

**North Shore Hospital**

5/00-8/00

***Psychotherapist***

- . Individual psychotherapy in the Anxiety Clinics (OCD, Phobias, Generalized Anxiety, PTSD)

***CLINICAL EXTERNSHIP*****University of Medicine and Dentistry (UMDNJ)**

9/01-5/02

***Neuropsychology Extern***

- . Completed neuropsychological assessments and comprehensive reports with a diverse patient population (stroke, epilepsy, tumors, TBI, Huntington's disease, other medically acquired disorders with adults/ children)
- . Assisted in the WADA procedure (pre-surgical procedure to determine language and memory locality)

***RESEARCH PRACTICUM***

**Fairleigh Dickinson University**

9/00-8/03

***Adult ADHD/LD Assessment***

- . Administered and scored complete neuropsychological batteries
- . Administered psychological testing (MMPI, DIS, etc...)
- . ADHD and LD Adult Assessment Interviews

**Fairleigh Dickinson University**

6/99-1/02

***Research Assistant for the Weight Loss Study (Research Team)***

- . Assisted in the organization of a weight loss research study
- . Phone screening to meet study criteria
- . Administered psychological measures to screen for exclusions
- . Group leader for cognitive-behavioral treatment meetings

**RELEVANT WORK EXPERIENCE****UMDNJ/ DVA Veterans Hospital**

2/99-8/03

***Research Assistant, Senior Data Technician***

- . Assisted in completing psychological and neuropsychological studies at the Chronic Fatigue Syndrome Research Center
- . Performed neuropsychological and psychiatric evaluations on CFS patients (i.e., WAIS-R, DIS-Diagnostic Interview Schedule)
- . Responsible for MRI tracking and psychiatric evaluations on veterans suffering from Gulf War Syndrome
- . Completed scoring of test data for neuropsychological battery, along with scoring programs for other psychological measures
- . Responsible for the maintenance of testing materials
- . Managed all psychological and neuropsychological related databases (data input, management, analysis)
- . Extensive work on data integration and statistical analyses
- . Worked independently on manuscripts for submission
- . Assisted with IRB submission along with grant and manuscript preparation
- . Trained other research assistants to perform necessary duties

**KMRREC**

5/00-2/03

**Kessler Medical Rehabilitation Research and Education Corporation*****Research and Clinical Associate***

- . Worked on an R&D1 Project: "Natural Setting Behavior Management: An Alternative Approach to Community Stabilization Following TBI"
- . Intake information and administration of questionnaires (screen severe TBI patients)
- . Set-up behavioral management programs for patients with TBI along with their caregiver (a community-based approach)
- . Co-led an educational and CBT treatment module for TBI patients and their caretakers
- . Manuscript preparation
- . Statistical analyses and database management

**Fairleigh Dickinson University Psychological Services**

8/02-7/03

**Coordinator of the Learning Disability (LD) and Adult ADHD Clinic**

- . Reviewed screening forms and determined criterion eligibility
- . Assigned cases to student and supervisors
- . Trained Ph.D. and Psy.D students to administer and score a structured psychological interview along with a standard neuropsychological battery
- . Reviewed testing protocols to ensure accuracy on scoring and norming
- . Maintained subject database to track status and progress of cases
- . Addressed students' concerns on a case-by-case basis

**Children's Aid and Family Services, Inc.**

6/00-12/00

**Social Skills Group Leader**

- . Group leader for social skills training for children and adolescents (diagnosed with ADHD, Aspergers Syndrome, PDD, Tourette, Specific Learning Disabilities, GAD, OCD, Depression)

**Essex County Hospital - Psychology Department**

9/98-5/99

**College Companion -- Day Treatment Program**

- . Co-led a variety of therapeutic activities with the patients (creative writing, art therapy, music therapy)

**Seton Hall University (New Jersey)**

9/97-8/98

**Research Lab Assistant**

- . Responsibility to conduct an experiment
- . Animal maintenance
- . Data input and statistical analyses

**MANUSCRIPTS**

Carnevale, G.J., Anselmi, V., Johnston, M.V., **Busichio, K.**, & Walsh, V. (2006). A Natural Setting Behavior Management Program for Persons with Acquired Brain Injury: A randomized controlled trial. *Archive of Physical Medicine and Rehabilitation*, 87 (10), 1289-97.

**Kim Busichio**, Lana A. Tiersky, John DeLuca, & Benjamin H. Natelson. (2004). Clinically significant neuropsychological impairment in patients with chronic fatigue syndrome. *Journal International Neuropsychological Society*, 10(2), 278-286.

Donald S. Ciccone, **Kim Busichio**, Michael Vickroy, & Benjamin H. Natelson. (2003). Psychiatric morbidity in the chronic fatigue syndrome. Are patients with personality disorder more physically impaired? *Journal of Psychosomatic Research*, 54 (5), 445-452.

George J. Carnevale, Vera Anselmi, **Kim Busichio**, & Scott R. Millis. (2002). Changes in ratings of caregiver burden following a community-based behavior management program for persons with traumatic brain injury: A Randomized Clinical Trial. *The Journal of Head Trauma Rehabilitation*, 17 (2), 83-95.

**DOCTORAL DISSERTATION**

"Utilization of the Cognitive Failures Questionnaire Establish a Relationship Between Subjective and Objective Cognitive Functioning in Chronic Fatigue Syndrome."

**ABSTRACTS**

Carnevale, G.J., Anselmi, V., **Busichio, K.**, Walsh, V., Millis, S., and Johnston, M. (2003). Efficacy of community-based behavior management for patients with brain injury: Results of a four-year Model System project. *Journal of the International Neuropsychological Society*, 9(2), 225.

**Kim Busichio**, Lana Tiersky, John DeLuca, & Benjamin Natelson. (2001). Neuropsychological Impairment in Patients with Chronic Fatigue Syndrome. *Journal of the International Neuropsychological Society*, 7(2), 172.

Spinowitz, F., Valenti, N., **Busichio, K.**, & Capuano, C.A. (2000). Long-term Maintenance of treatment gains on a sample of mildly to moderately obese women. *Annals of Behavioral Medicine*, 22 (supplement), S151 (D-73).

Atar-Greenfield, H., **Busichio, K.**, Eisen, A.R., & Capuano, C.A. (2000). Factors related to attrition in a treatment outcome study of obese women. *Annals of Behavioral Medicine*, 22 (supplement), S150 (D-72).

**Kim Busichio** (March 2000). Reflections of an Intern. *NJPA-Student Affiliate Newsletter*, (volume 1, issue 1, page 2). Editorial.

## PRESENTATIONS

### International Neuropsychological Society (INS)

2003

George Carnevale, Vera Anselmi, **Kim Busichio**, Vanessa Walsh, & Mark Johnston "Efficacy of Community Based Behavior Management For Patients with Brain Injury: Results of a Four-Year Model Systems Project."
